

# 2<sup>nd</sup> Grade School Supplies

In our classroom, we will use community supply bins rather than keep our own supplies in our desks. *So please remember that the supplies you purchase will be put into our classroom supply and used by all students.* The following are my suggestions for school supplies for this school year:

## Student Supply List:

- 24 count box of crayons
- 1 box of washable markers
- 2 boxes of **YELLOW #2 pencils**
- 8-10 Elmer's Glue sticks
- 2 packages of pencil top erasers
- 1 pair of headphones
- 3 wide ruled spiral notebooks
- RED plastic folder
- dry-erase markers
- ½ or 1 inch binder
- 1 pencil box or case
- 1 pack of loose leaf notebook paper

*\* Please refrain from purchasing items that are not listed above. As stated, we will be sharing these items as a class so it's important to keep these supplies basic.*

## Teacher Wish List:

- Clear paper protectors
- Tissues
- Baby wipes
- Hand sanitizer
- Zip bags (gallon or sandwich size)
- Clorox Wipes
- Latex free band-aids

Extra school supplies are also nice to have when students run out or for the families that are less fortunate and cannot supply for themselves. Your help and support are greatly appreciated!

These are **not required**, but would help to make our classroom a better place for our children.
