In a Million Words or Less
Tell me about your child...

Dear Parent/Guardian:

Greetings from South Warren Middle School. My name is Adam Reed and I am fortunate enough to be your student’s 8th grade US History Teacher. I look forward to an exciting year of fun and learning with your young scholar.

As I have already told the students, we will have homework during the school year, but before I start to give them homework assignments I would like to give you one if you would be willing. I would like to ask you to write about your student. As the title above says, in a million words or less, tell me anything you would like me to know about your child. Please do not be modest. As the father of three boys, I too like to brag. So please feel free to do so about your son or daughter. I hope that this will be an interesting and informative way to learn more about your student.

As always there has to be a deadline, so I am asking that you complete your letter by Friday, August 28th, 2015. You can seal your letter in an envelope and have your student bring it to me, drop it of yourself by the school, mail it to SWMS, or send an email to adam.reed@warren.kyschools.us.

Thanks in advance for your cooperation and I look forward to a wonderful year with your student.

Sincerely,

Adam Reed
