7 Habits & Essential 55

This week we will put a special focus on Habit 1: Be Proactive. You are in charge. You are responsible for everything you think, say, do, and feel. It's not what happens to you, but how you react to it that matters.

We will focus this week on the following Essential 55 Rule by Ron Clark ~ Rule 29: There are several manners dealing with food that you must follow: I call these my ABC's of Etiquette.

B - When you are finished eating, place your napkin on the table to the left of your plate. Place it loosely beside the plate. Don't crumple it, because you don't want to seem untidy. Don't fold it too neatly, because you don't want the restaurant to think you assume they are going to use it again. Never leave your napkin on your chair. This implies that the napkin is too dirty to be left on the table. Also, in some cultures, leaving the napkin on the chair is known as a way to say that you don't intend to return to the restaurant again.
