**Discussion:**

Mr. Thornhill gave a quick recap of the Site Based Meeting. Natcher is on a Consolidated School Improvement Plan, but the school is intentional with the strategies for improvement. Reading and Math Carnival is scheduled for Monday, November 25. Personal letters were sent to families with students who are close to advancing to the next score level, to encourage them to come out to the event. Warren County has sent out a Parent Survey to gauge satisfaction and determine how to better serve families. Mr. Clayton will give his State of District at Greenwood on November 19.

**Agenda item:** Upcoming Events **Presenter:** Shellie Tidball

**Discussion:**

- Family Game night is scheduled for January 17 at 6:00. PTO will provide popcorn and bottled water. It is a great event for families to get “unplugged” and have fun together.
- There will be a dance in February immediately after school. More information will be sent later.
- PTO will provide breakfast for the teachers on Monday, December 16. Menu will include Chicken Minis, fruit, donuts, éclair puffs, and K-Cups.
- Jump and Jog is tentatively scheduled for April 3. A school-wide kickoff will be March 18 at 2:30 to get the students motivated. PTO needs to think about prizes to offer and have different prizes available for intermediate and primary grades. A \$10 donation will allow the student to participate in the Jump and Jog.
- Shellie is going to pick up some blank stationery and get Mrs. Roy to have her art students design the front so they can be sent as a Thank You to the area business’ who contributed to make our Fall Festival such a success.

**Agenda item:** By Laws **Presenter:** Shellie Tidball

**Discussion:**

Shellie would like the PTO Board to review the by-laws. There was a version drafted a few years ago, but the Board never formally approved it. It was suggested that the by-laws be emailed out to the board for them to review and make suggestions prior to the next meeting.

\*\*Leslie Hudson did check with Cheryl Lyons (who typed up the previous un-approved version), but Cheryl does not have the document still on her computer.
