(All members in agreement).**
- VI. Reviewed and discussed SWIS data to this point in the year. We are still
running under the average number of write ups per day per month that we
have had in past years. We are very proud of our students' behavior to this
point this school year. It was recommended by Mr. Littrell that we check
on a discipline policy. Mrs. Cutright is going to research what other
schools have in this area. We need to continue to focus on procedures
and expectations and be sure to do a review of these after our
Thanksgiving Break and other breaks throughout the school year.**
- VII. Shared and reviewed our test scores from the 2011-12 K-PREP. We are
tied for 4th place among the other elementary schools in our over-all
rankings within the district. That is a big improvement over the past
several years. We are very proud of the hard work of our faculty and staff
and our students' great performance on the test.**
- VIII. Adjourned at 6:59 p.m.**
