Crash Course U.S. History: The French & Indian War AND The Great Awakening

Directions: While watching John Greene’s You Tube video, answer the questions with the information as it is provided.

1) Describe how mercantilism works?

2) What caused the Seven Years war to start in North America?

3) What land was acquired by Britain from the Treaty of Paris that ended the Seven Years war?

4) What was the British approach to dealing with Native Americans in these newly acquired lands?

5) What was the response of the Native Americans towards the British in these newly acquired lands?

6) What did the Proclamation of 1763 accomplish? Why?

7) How did the Great Awakening work to undermine the relationship between the American colonies and Great Britain?

8) Do you agree or disagree with John Greene’s premise that both events led to a showdown between the American colonies and Great Britain? (provide your rationale)

Questions you have: Please write down any and all questions you have about information presented, ideas mentioned or items you saw/heard about in this video.
