NAPD Calculation comes from achievement calculation points for Novice (0 points), Apprentice (1/2 point), Proficient and Distinguished (1 point). Bonus points are added if there are more distinguished than novice. This score indicates grades 3-6 combined.

P/D% is the percentage of students scoring Proficient or Distinguished.

Overall JRES Score - 84.4

- Distinguished/Progressing
- School of Distinction
- High Progress School

Overall District Score - 70.4

- Proficient/Progressing (one tenth of a point away from Distinguished)
