

CAFETERIA PROCEDURES

Goal for Cafeteria Procedures

The cafeteria will be a clean, safe, and enjoyable place to eat.

Students:

1. Students will come in quietly in a line and go to assigned door.
2. Each student will get utensils, napkins, and tray and proceed through the lunch line.
3. Students will use best manners with cafeteria staff while going through the line.
4. Students will pay for lunch and then walk to designated table/seat.
5. Students will remain seated and raise hand for assistance.
6. Students will observe personal space at all times, keeping hands, feet, and other objects to themselves.
7. Students will use a voice level 1 (talk softly).
8. When the lunchroom monitors dismiss students, students will pick up trash and dump lunch tray.
9. Then students will stand in a single file line and wait at designated door for their teacher at a voice level 0 behind the blue line.

Teachers/Adults:

1. Teachers will walk students to cafeteria and dismiss them to designated lunch line door.
2. At the end of assigned lunch period, teachers will pick up students.
