7 Habits & Essential 55

This week we will put a special focus on Habit 5: “Seek First to Understand, Then to be Understood.” Listen before you talk.

We will focus this week on the following Essential 55 Rule by Ron Clark ~ Rule 5: If you win or do well at something, do not brag. If you lose, do not show anger. Instead, say something like, “I really enjoyed the competition, and I look forward to playing you again,” or “good game,” or don’t say anything at all. To show anger or sarcasm, such as “I wasn’t playing hard anyway” or “You really aren’t that good,” shows weakness.

Mission & Vision

It is the Mission of Natcher Elementary to provide a safe, caring environment for lifelong learners to succeed.

Vision: Beginning With the End in Mind, Growing Tomorrow’s Leaders

Motto – Together we R.O.A.R.!
Better Relationships, Better Opportunities, Better Attitudes, equal Better Results
