Good morning everyone,

Custodian (12 month)-Patricia Green

Special Education assistant-Danyra Lamothe

Staff Support Secretary-Debbie Meredith

Kindergarten Assistant-Scotia Scott

If you have received this email and agree with consultation, please reply "received."

I am on vacation this week but will schedule a SBDM meeting with new members and recommend a Kindergarten teacher hire, approve the Section 7 application for emergency funding for a new teacher for intermediate (we may or may not relieve this, but I want to try). If I get it completed while on vacation, I may send it via email for approval to get it to the Board sooner. This meeting will be early July. Thanks, everyone. Have a great week.
