

5th Grade Supply List

[Rich Pond Elementary, 2022-2023]

The following is a list of school supplies for 5th grade. Brands listed beside products are recommendations due to quality, but are not required. A majority of supplies will remain with the students for their use, but some (used for specific subject areas) will be collected and redistributed. It is our hope to see these supplies last the entire year. The school will always ensure every student has the supplies needed to be successful. We deeply appreciate the support of our families.
