

Parents,

The information below is from our district office regarding a committee that is being formed to look at redistricting for WCPS. Read the information below, and if you have interest in being a parent rep for the SW feeder system, email [Kathy.Goff@warren.kyschools.us]Kathy.Goff@warren.kyschools.us by April 20.

*Warren County Public Schools is in the process of forming the WCPS District Boundary Planning Committee. The Committee will consist of the following members:*

*Board Chair and Vice Chair: Kerry Young and Garry Chaffin*

*Superintendent: Rob Clayton*

*Chief Operations Officer: Kathy Goff*

*Chief Financial Officer: Chris McIntyre*

*Chief Academic Officer: Jason Kupchella*

*Director of Pupil Personnel: Pat Stewart*

*Director of Transportation: John Odom*

*2 Members from and elected by the Equity Council*

***4 Parent Reps (1 from each feeder)***

*4 Staff Reps (1 from each feeder)*

*4 Building Administrators (1 from each feeder)*

*1 Local Building Zoning Members*

*3 Community Members*

*Why are forming this committee? WCPS is a growing district. School boundaries must change to populate new schools and to alleviate potential overcrowding at existing schools. The committee will be meeting monthly and sometimes maybe a couple of times during the month. There will be no meetings in July and the work should be completed by December 2015 to give to the Board of Education for decisions.*

*I need your assistance in getting nominations for parent reps, teacher reps, and building administrators. Please send this information out to your staff and parents. If they are interested and want their name placed on the ballot for the area they represent, please send it to me by Monday, April 20th. The voting will take place at Central Office on Wednesday, April 22nd from 7 am until 5:00 pm for parent reps and teacher reps.*
