If you meet the requirements below and are interested in taking the Cross-Age Tutoring section of Peer Tutoring, submit this form to Mrs. Cameron James. Meeting the requirements and receiving approval on this form are not guarantees that you will be enrolled in the course. Other factors, such as your schedule and the number of elementary teachers seeking a tutor impact who is admitted to the course.

Requirements:

- Be in 11th, or 12th grade
- Have a driver’s license and reliable transportation
- Have a cumulative GPA of 3.25 or higher
- No more than 8 absences in a semester
- No suspensions or ALC referrals

Name: ________________________________________________________________

Grade: __________________________________________________________________

GPA: __________________________________________________________________

Number of excused absences (can be found on Infinite Campus):__________________

Number of unexcused absences (can be found on Infinite Campus):______________

Sign below acknowledging that you meet the above mentioned requirements.

Signature: ___________________________ Date: ___________________________

To be completed by Mrs. James:

Approval: Yes or No
