  - d. Mr. Vincent shared that it was good to see kids getting back to a sense of normalcy.
  - e. Mr. Stuckey shared that summer school has been successful with a lot of students recovering a lot of credits.
9. Instructional
  - a. The council discussed the results of the staff survey for a potential intervention schedule. Mr. Vincent shared that it is very important to provide intervention for our students while also balancing out the needs of the staff. He shared various ideas between a five-day schedule, a three-day intervention schedule, and a two-day intervention schedule.

The council debated back and forth between the various options, logistics of making the schedule work, the content to be covered, and how best to implement and run this schedule.

No action was taken or decided to allow council members to return to departments to discuss ideas and options with fellow teachers.
