Rich Pond Elementary School

FRC Advisory Council

The foundation to a successful Family Resource Center is the Advisory Council. The major purpose of the Advisory Council is to provide the coordinator with input, oversight, and recommendations about the operations, services, and programs the center provides to its families.

Rich Pond FRC is looking to fill two positions on its council—a parent representative and a community agency or business. If you are interested in serving our Rich Pond families and students, please contact Kimberly Thomerson at 270-843-4422. The council meets every two months.

Clothes Lockers

The FRC stores clothing in case of accidents, dress code violations, or basic clothing needs. If you have items that you would like to donate, please send them my way! I will gladly write you a tax receipt for any donated items.

Welcome Back!

Welcome to a new year at Rich Pond Elementary School! I hope you had a fun and relaxing summer break. Rich Pond Elementary and the FRC have been working these past two months to create fun and educational opportunities that will keep you motivated to learn more!

With most of the events occurring during the school day, the FRC needs the support of the parents and community businesses/agencies to make it happen. If you would like to volunteer, you must first complete the volunteer training and criminal background check through the WCPS District. Volunteer Trainings will be held throughout the month of August at various

times. Please check the left column to find a day and time that works with your schedule.

Also, if you know of a student or family who may be in need of basic necessities, please let me know. The FRC has resources to assist our families depending upon the situation, and all matters are confidential.

It is my goal this year to provide our students and families with the support and encouragement to excel in school and to have fun while doing it! We are going to have a great year!

Goodwill Donations

When you donate to Goodwill, you have the opportunity to help a Rich Pond student! When you drop off your items at a Goodwill store, please ask that it be applied to the Rich Pond FRC account. Your donated items will be weighed and the FRC will receive money that is applied to the school's account. This allows me to write vouchers to our Rich Pond families who need assistance with school clothing.
