Spring is Coming!

We're gearing up for a great spring at Rich Pond! With Spring Break just around the corner, we get some much needed time to rest and relax before KPREP testing! And then summer break is just a blink away!

With school year coming to a close soon, its important to check the Rich Pond and FRC website frequently to see upcoming events and volunteer trainings during the summer. Volunteer Trainings will be held throughout the months of July and August at various times.
