Possible MAKEUP DAYS - February 17, March 19, 20, May 20, 21, 22, 26, 27, 28, and 29

If the school calendar has to be adjusted, changes will be shared through social media, the district and school websites, and school newsletters.

*This handbook does not address everything concerning students and their activities at the school. Additional information will be given out to the students on an as needed basis.*
ARRIVAL AND DISMISSAL

Tardiness interferes with individual progress and classroom procedures. Students are considered tardy after 8:15 a.m. Students who are tardy must have their parents come in the school with them and sign the check in/check out log.

Students that plan to eat breakfast should arrive at school prior to 8:05 a.m.

Please try to avoid having your child dismissed early. Students picked up before 3:15 p.m. will be counted as tardy. We ask that any student who must leave early for an appointment be picked up by 3:05 p.m. to alleviate congestion not only in the front office, but also in the parking lot and bus loading area.

Students will be dismissed at the 3:15 p.m. tone. Staff members will help student car riders safely out of the building. Please watch and follow the directions of these people to help keep the traffic flowing. We ask that all parents remain in their vehicles to assure that we have a safe and speedy dismissal. Car riders will not be dismissed from the office unless they are checking out early.

ASBESTOS MANAGEMENT PLAN

Each school site in the District has an Asbestos Management Plan (AHERA Report) which identifies where asbestos containing building materials (ACBM) are located in the school. The ACBM poses no health concerns as long as it remains in good condition. The ACBM is inspected every six months to ensure it remains in good condition while AHERA report is updated/made available for review upon request.

ATTENDANCE

Students are required to attend school each day and be on time. A student cannot learn and perform if they are not present at school. Any student arriving after 8:15 a.m. or leaving before 3:15 p.m. will be counted as tardy.

The progress of a student at school depends greatly on the punctuality and regularity of attendance. It is desirable that every student should be in the designated area five minutes prior to the beginning of school. Also, each student should be in each class on time. To secure such attendance, we ask your hearty cooperation. We firmly believe that attendance is a student-parent/guardian responsibility. The intent of this attendance procedure for the Warren County Public Schools is to provide a structure within which students can gain maximum benefit from the instructional program. Regular attendance in class is necessary if students are to receive adequate guidance through their class work and benefit from the discussions. All students are expected to attend class, on time, every day that school is in session. When a student must be absent from school, it is the responsibility of the parent/guardian to call the
school where the child is enrolled on the date of the absence to inform the school of the reason for the absence. The parent/guardian must send a written excuse or doctor’s note with the student when he or she returns to school. If a note is not received by the school, the absence will be counted as unexcused. Up to 7 days of valid absences for which parents/guardians have sent written excuses giving valid reasons for the absence will be excused. Invalid absences will be considered unexcused. Seven parent notes will be excused for valid reasons (see below). Parent notes submitted for invalid reasons will be considered unexcused.

**KENTUCKY COMPULSORY ATTENDANCE LAWS**

Except as provided in KRS 159.030, each parent, guardian, or other person residing in the state and having custody or charge of any child between the ages of six (6) and eighteen (18) shall send the child to a regular public day school for the full term that the public school of the district in which the child resides is in session, or the public school that the board of education of the district makes provision for the child to attend. Any parent or guardian who elects to send a child five (5) years of age to school shall keep the child in regular attendance. Every child actually residing in this state is subject to the laws relating to compulsory attendance, and neither he nor the person in charge of him shall be excused from the operation of those laws or the penalties under them on the ground that the child’s residence is seasonal or that his parent is a resident of another state.

**EXCUSED ABSENCES (requires written statement)**

1. Illness - Medical Excuse
2. Death in family
3. Medical appointment of student
4. Student sent home from school sick
5. Religious holidays
6. Reporting to court
7. Driver’s license test or examination (1/2 day-2 times)
8. Military leave, deployment, or training
9. Other circumstances as approved by principal

**NOTE** - Students with medical appointments during the school day will be given an unexcused absence until a statement is brought from the doctor. All absences due to illness will require a doctor’s statement for the absence to be counted as excused. Written statements must be received within a week of a student’s return to school to be counted as excused. Excuses brought in after the week period will remain unexcused.

**NOTE** - A maximum of seven (7) parent/guardian notes are allowed per year. A parent/guardian note is only valid for one day of absence/tardy. A doctor’s note will be required to cover a health event of consecutive days. Once a student uses all their parent notes for the year, only a third-party note, document, or other information requested by the school will excuse the absence or tardy. Otherwise, all absences and tardies after the 7 excused ones will be unexcused.
Any absence event due to medical reasons in excess of ten (10) will require the presentation of the Warren County Schools Medical Excuse Form before the absence will be excused. The form will be available at all schools, central office, and some medical facilities upon parent request.

TRUANCY, WHAT CONSTITUTES: Any student who has attained the age of six (6) years but has not reached his or her eighteenth birthday, who has been absent from school without valid excuse for three (3) days, or tardy on three (3) days, is a truant. Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his or her twenty-first birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant. Any student who has been reported as a truant two (2) or more times is an habitual truant. A tardy is defined as missing no more than 35% of the regularly scheduled school day. A tardy can occur in either the morning or afternoon.

TRUANCY PROCESS – Elementary, Middle School, High School

STEP 1 — Upon the third (3) unexcused absence and/or tardy, the principal/designee will contact the parent/guardian in writing concerning the student’s absences.

STEP 2 — Upon the fifth (5) unexcused absence and/or tardy, the district’s Delinquency Prevention Services Worker will be notified and will make contact in an attempt to avoid any court action.

STEP 3 — When the sixth (6) unexcused absence and/or tardy occurs, court action may be pursued.

BOX TOPS FOR EDUCATION

During the school year, Box Tops for Education from General Mills products will be collected. The funds gained from this project will be used for special activities, incentives and to meet the needs of our students. Classroom contests for the most box tops turned in will go on throughout the school year.

BUS TRANSPORTATION

The bus driver is responsible for the safety and conduct of all students riding to and from school or an activity. Students are to obey drivers at all times. They are expected to keep the buses clean and neat. Food and drinks are not allowed on buses.

CAFETERIA

The school operates a cafeteria that is open to both students and faculty. Parents are invited to eat lunch with their child at any time, but should notify the office prior to their
visit so that adequate amounts of food can be prepared. Commercially prepared food (ex. McDonald’s, Burger King, KFC, etc.) cannot be brought into the cafeteria as it is against Federal guidelines. All students receive free breakfast and lunch. Students must bring money if they would like to purchase extra servings or ice cream. Students are not to share or trade food in the cafeteria.

**Serving Times**
- Breakfast is served before school from 7:45 a.m. until 8:10 a.m.
- Lunch is served from 10:50 a.m. until 12:15 p.m. Please contact your child’s teacher to find out their exact schedule.

**CELL PHONES/HEADPHONES/GAMES/TOYS/FIDGET SPINNERS**

Cell phones, headphone sets, electronic games, iPods, trading cards of any kind, fidget spinners, and other items which might interfere with the educational process are strictly prohibited at school and on the bus unless the teacher or bus driver has given previous permission. The principal reserves the right require parents to pick up unauthorized items and/or hold them until the end of the school year. If students must have a cell phone because it is needed for before and after school purposes, it must remain off and in the child’s backpack throughout the day. If it makes noise or is visible, then teachers and/or administration have the right to take the cell phone and complete an office referral.

**CHEWING GUM**

Chewing gum is not allowed at school. This includes in the building, on the playgrounds, and on the bus. A party situation or special treat from the classroom is the only exception to this rule. This privilege will depend on sensible use and proper disposal of the gum.

**CLASS PREPARATION**

In order for significant education progress to take place in the school, part of the responsibility rests on the individual student. It is expected that a child should bring to class the necessary tools for learning. These may vary from class to class, but generally include pencil, paper, agenda, assignment folder, textbook, and homework assignments.

**CUSTODY DOCUMENTATION**
It is the responsibility of the parents/guardians to keep all custody documentation and legal paperwork on file and up to date with the front office. In all instances, we will follow the most recent court documentation that is in our possession.

**DISCIPLINE AND CONDUCT**

The school provides each student with a maximum opportunity to acquire an education. No student has the right to interfere with this opportunity by his actions, poor manners, or lack of consideration. All rules and regulations are developed with this thought in mind. School rules apply on the school grounds, going to and from school, and at any event where our school is represented, regardless of location. Most students know what good conduct is and how it is attained. Students who are able to abide by the rules tend to establish themselves as good role models for other students within our school.

**Teacher’s Discretion**

The teacher has the authority and responsibility to maintain discipline in the classroom, on bus duty, lunchroom, playground, assemblies, and school-sponsored activities. Fair policies will be established, announced, and consistently enforced. When a problem occurs, a teacher may select one of the following:

1. Conference with the student.
2. Conference with the parent and/or student.
3. Use classroom disciplinary action.

Problems which go beyond the control of the teachers are to be referred directly to the principal or designee.

**Principal’s Discretion**

When teachers or other school personnel have used the general discipline guidelines to promote discipline in the school setting without success, the problem will be referred to the principal or designee. The principal or designee has the authority and responsibility to maintain an atmosphere which is conducive to learning through a fair and consistent application of district policies and procedures. When a problem occurs, the principal or designee will identify the problem (student view and teacher view) and consider disciplinary action. When disciplinary action is necessary, the principal or designee will reference the Warren County Schools Elementary Disciplinary Action Flowchart and apply consequences as necessary.
DRUGS/ALCOHOL/TOBACCO

Any student who intentionally sells, gives, possesses, uses, or is under the influence of illicit drugs, narcotics, or alcohol in or on school property, including buses, shall be (1) suspended or expelled from school (at the principal’s discretion), and (2) reported to the proper law enforcement agencies (if deemed necessary) for possible legal action. Federal law does not permit smoking in any school building. Any student who violates this rule at any time during any school related activity is subject to the provision of the Student Discipline and Conduct Code.

All Warren County Public School campuses are tobacco free. The use of any tobacco product including E-cigarettes and other similar products, is prohibited twenty-four (24) hours a day, seven (7) days a week in any building and on any property owned or operated by the Board.

EMERGENCY INFORMATION CARDS

Each student is required to have an emergency information card on file in the school office. **All information must be kept current. Please notify the school immediately and request that your card be changed if your phone number, address, or email changes.** The information on this card, supplied by the parent/guardian of the student, authorizes school personnel to make necessary arrangements in the event of an accident or illness of the student or emergency school closing.

For the safety of your child we ask that all requested information be provided to the school on the emergency card. The emergency card should be signed and returned to school promptly. **It is very important that you list at least two neighbors or relatives and their telephone numbers if at all possible.**

ENTRANCE AGE

Children must be five years old by August 1, 2018 to enter as a Kindergarten student. Children entering the preschool program must be four years old by August 1, 2018 and qualify for the free lunch program or be three years old by August 1, 2018 and have a special needs condition.

FAMILY RESOURCE CENTER

Oakland Elementary is very fortunate to have a Family Resource Center (FRC) located in the school to serve all students and their families. The intent of the Center is to ensure a student’s success in school and life by assisting students and their families in meeting their basic needs. The Family Resource Center telephone number is 270-563-9886.
FIELD TRIPS

Field trips off campus are taken during the school year for educational purposes. The students are under the supervision of teachers and other authorized personnel. Transportation is provided by school bus. Written permission is required for students to participate in a trip. In order for parents to serve as chaperones on field trips, they must complete volunteer training and complete a criminal background check. This takes some time, so please make sure that this is completed early if you think you might go on a field trip with your child.

HEALTH RECORDS

All students must have a current Kentucky immunization form (shot record) on file with the front office before attending school. The only exception is a completed religious exemption form. Students without the proper forms will not be able to attend school and their absences will be considered unexcused.

All students are also required to have a birth certificate, current physical, eye exam by an optometrist or ophthalmologist, and a dental screening. Prior to entering sixth grade, an updated Kentucky immunization form and physical examination are required.

HEALTH SERVICES

Students who become ill or injured at school will be sent to the office and necessary action will be taken. If the illness or injury is of such nature that the student should go home or be taken to the doctor/hospital, the parent will be notified immediately. It is critical that we have current home, work, and emergency numbers on file.

If students require medication during school hours, parents must bring the medication to school and complete a medication release form. No medication of any kind can be administered without the parent completing the form in advance. Medication must be in a labeled prescription container with the child’s name and appropriate dosage included. Students CANNOT transport medication. Parents must bring medicine to school and pick it up from school. Students are not permitted to take medicine of any kind into their classrooms. All medication will be administered through the front office.

HOMEWORK POLICY

Homework will be assigned for reinforcement of skills taught in class and to enable the student to develop responsibility for studying on his/her own for present and future years to come. The quantity and type of homework will be grade level appropriate. Nightly reading is essential for improving student performance. Assignments will also
be given when a student has gotten behind in class due to illness or other excused reasons.

**LIBRARY/MEDIA CENTER**

The library is available to every student each day. We have a large collection of books in the library to help students strengthen their reading skills. Books have been labeled and leveled for easier access for the students. Resource materials are abundant for completion of assignments. Students are encouraged to use the library as much as possible.

**LOST AND FOUND**

The school cannot assume responsibility for loss of personal property. If a loss occurs, it should be reported immediately to the child’s teacher and/or the office. A “lost and found” area is maintained. Small items may be kept in the office.

**PARENT CONFERENCES**

Parents are encouraged to schedule conferences with their child’s teacher. The conference should be scheduled at the convenience of both parties. Please make contact with the teacher to schedule a conference. We hope that you will make every effort to know what your child is doing in school and what expectations of achievement have been set.

**PARENT AND COMMUNITY VOLUNTEERS**

Parents and community members are encouraged volunteer within the building. Ms. Nicole DeFreeze coordinates all volunteers. Anyone that volunteers and works with students must complete yearly training and have a criminal background check. Ms. DeFreeze offers trainings at various times throughout the year. Please contact her at 270-563-9886 for additional information.

**PREVENTING VIOLENT ACTS**

All students must be aware of the importance of responding immediately to threats of violence by fellow students. If any student tells you they intend to engage in an act of violence toward another individual, or if you overhear a threat of violence, it is your duty to immediately report that threat to a teacher, counselor, or school administrator. Your prompt action could prevent a tragedy and protect lives.
SAFETY DRILLS

Safety drills are practiced throughout the school year. Schools are required by law to practice fire drills, tornado drills, bomb threat drills, intruder drills, bus evacuation drills, and earthquake drills at various points during the school year. Students are expected to be on their best behavior during these drills. It is extremely important that they listen carefully to adult directions.

SCHOOL CLOSING INFORMATION
Delayed Opening/Early Dismissal

When the Superintendent decides to cancel school, delay the opening, or have an early dismissal due to weather, etc. the local radio stations and local television station will announce this information. The local television stations and local radio stations will try to announce by 6:00 a.m. on morning(s) which school will not be in session. Social Media will also be used to share school closing information. Parents/guardians and others involved with students are urged not to call the District or Transportation offices or schools for closing information as these lines may be needed for emergency purposes. If school dismisses early, information provided by the parent/guardian to the school will be used to ensure that each child reaches his/her destination.

SCHOOL HOURS

School begins each day at 8:15 a.m and is dismissed at 3:15 p.m. It is important that students arrive promptly at school. Students who are car riders need to be dropped-off (7:45 a.m. - 8:15 a.m.) and picked up (3:15 p.m.) through the car rider line. Staff members are on duty to supervise the area at these designated times.

Students arriving at Oakland Elementary School before 7:45 a.m. should be accompanied by an adult and remain in a vehicle until the doors are opened. No supervision is provided until 7:45 a.m. Oakland Elementary will not be responsible for students who are left on school grounds before 7:45 a.m. If a student is consistently dropped off (the child is left alone) before the doors are opened or is late being picking up after dismissal bell, the parents/guardians of said student will receive a letter reminding them of the school’s hours. At the principal’s discretion the student(s) left unattended before the doors open at 7:45 a.m. or after the 3:15 dismissal bell may be reported to the Director of Pupil Personnel and/or the Department of Social Services.

SCHOOL NEWS

A weekly newsletter is shared each Friday. News items of interest to both parents/guardians and students are included along with important upcoming dates of various school activities. School news is also shared through the school website, the
school Twitter account, and teacher Twitter accounts. **The school will also use an automated system to share important information and reminders with families.** This system has the ability to text, phone, and email. **It is critical for parents to keep the school informed of current phones numbers and email addresses.**

**SNACKS**

Some teachers may request that children bring snacks from home to have during breaks. It is requested that these snacks be nutritious such as fruit and juice (potato chips and sugary snacks are strongly discouraged). We do not want snacks to interfere with students eating their lunch. Students are not permitted to have a carbonated beverage during snack or lunch (ex. Coke, Pepsi, etc.).

**STUDENT ACTIVITIES**

The school and its staff sponsor a variety of activities. These activities are conducted for both educational and entertainment purposes. They are considered a part of the school program. Guidelines for these activities are distributed, discussed, and qualifications must be met before students are invited to attend.

**STUDENT/CCLASSROOM PARTIES**

All plans for parties, celebrations, birthdays, etc., must be arranged with the teacher in advance. All food that is brought to school for parties must be store bought and contain a product label that includes ingredients. To prevent hurt feelings, we request that you not send birthday invitations to school with your child for distribution.

**STUDENT DRESS AND APPEARANCE**

The Warren County Public Schools feel a responsibility to educate students socially as well as academically. Student dress is an important phase of social education. Students should always dress appropriately for the occasion and avoid extreme dress, cosmetics, and hairstyles. It is also felt that the climate for learning in schools is enhanced by a student body, which is suitably dressed and well groomed.

Dress Code Includes -

- No spaghetti straps or strapless tops. All sleeves must be tight enough on the shoulder or arm so that undergarments and/or the chest area cannot be seen.

- All shorts, dresses, and skirts must be fingertip length.

- Leggings can only be worn with shirts, dresses, or skirts that are fingertip length.
● Any clothing or lack of clothing that is considered indecent and/or distracting will not be allowed. No see-through clothing, bare midriffs, or bare backs are allowed. No clothing or accessories shall be worn with pictures or writing that promote violence or which are considered to be in bad taste, vulgar, offensive, distracting, or promoting the use of alcohol, drugs, tobacco, or any illegal substance.

● Student may wear sandals with a back strap. These sandals can be worn with or without socks. Shower shoes and flip flops are not allowed. Students are to wear or bring tennis shoes on PE days.

● Hats, caps, bandannas, and head coverings shall not be worn in the building while school is in session. Sunglasses may not be worn inside or outside the building, without a doctor’s statement. The above may be worn on special occasions only when approved or announced by the principal.

● Any student wearing clothing that in the judgment of a staff member to be inappropriate shall be sent to the principal or designee. Parents will be called and asked to bring appropriate clothing. Should the parent not bring the appropriate clothing, the student will be given proper clothing to wear at school, if available. This clothing should be washed and returned as soon as possible. If a violation of the same nature reoccurs then the parent will be called for a conference by the principal or designee.

During the year, different groups will sponsor “dress-up” days. These days will center around various themes. The dress code may vary some for these days. We ask that the students use discretion when dressing for these days. (What might be deemed inappropriate on regular school days should also be deemed inappropriate on the themed day).

**SUPPLIES AND BOOKS**

Most supplies will be furnished by the Warren County Board of Education; however, individual teachers may request non-essential items during the year. Each student will be provided with one take home folder and one agenda. If those two items are lost, families will be asked to purchase replacement items. Textbooks will be furnished to all students at no charge. There will be a fine levied on any student who abuses or destroys a textbook or library book during the school year. According to the policy of the Warren County Board of Education, students will be responsible for their own books regardless of what happens to them.
TELEPHONE

No child or teacher will be called to the telephone except in the case of an emergency. Messages will be transferred to the teacher’s voicemail.

TRANSFERRING

It may become necessary for students to transfer to another school during the year. Please, try to notify the front office and teacher as soon as you know that you will be moving. This will allow us to make the transfer as efficient as possible. Library books and textbooks will need to be returned before leaving.

TRANSPORTATION CHANGES

A written note from the parent/guardian is required for any of the following:
- a student to ride a school bus to any place other than their normal drop off location
- a student to ride with anyone other than his/her parent/guardian

Notes need to be sent to school with children in the morning. We realize that emergencies do occur from time to time. In those instances, please call the school. We will request that the information be faxed to the school, or we will give you an email address in which to send the note. Fax and email should be for emergency situations only. All changes need to be received in the front office by 2:00 p.m. It is often difficult to ensure that transportation changes that are requested over the phone and/or late in the afternoon get to the student and appropriate staff. This is why it is critical for students to bring notes for transportation changes to school with them in the mornings.

VEST

All Preschool and Kindergarten students must wear the appropriate vest to and from school each day. Students will not be allowed to ride the bus or dismiss through the car rider line if they do not have their vest. Parents will have to come to the office to pick up children without the appropriate vest. The school provides each child with one vest. If the vest is lost, it is the responsibility of the parent to purchase a replacement vest.

VISITORS

Each visitor must stop at the office to sign in and receive an identification badge (sticker) to be worn while in the building. Upon leaving the building, please return to the office and sign out. Anyone seen in the building without proper identification will be
instructed to return and/or escorted to the office and asked to sign-in. This is for the protection of our students.

Students will not be allowed to have contact with adults that are not listed on their emergency card. Visitors coming for lunch will be asked for picture ID. If they are not on the emergency card, parents will be contacted for permission. If parents cannot be reached, the visitor will not be able to have lunch with the student.
PARENT ENGAGEMENT POLICY

In recognition that the parent is the child’s first and most important teacher and that the parent’s continued engagement is essential for the success of the child, Oakland Elementary is committed to building a strong parent-school partnership. To support the parent-school partnership, the following policies were designed with meaningful consultation from the parents of participating Title I students.

- At the beginning of each school year, an annual meeting will be held at a time convenient for parents for the purpose of explaining the Title I program.
- Additional, flexible meetings will be held throughout the year for the purpose of reviewing, planning, and evaluating the Title I program and parent engagement.
- Information concerning Title I programs, school performance, and individual student progress will be provided in the the form of newsletters, flyers, website, emails, progress reports, phone calls, conferences, and/or home visits.
- Oakland Elementary will plan parent engagement and support partnerships among parents, school, and community by:
  - providing materials, services, and training to parents
  - assisting parents in understanding educational goals, standards, and student performance so that they can use the information to participate in educational decisions related to their child
  - integrate, when appropriate, Title I parent engagement strategies with other programs and federal, state, and local services such as Family Resource, ESS, LEP, SBDM, etc . . .
  - assisting parents in becoming full partners in their child’s education
Families agree to:

- Encourage good attendance in school.
- Stay aware of what my child is learning in school by talking to my child about school each day and checking their backpack, agenda, and folder each night.
- Encourage literacy development bypledging to read with or to my child each day.
- Remind my child about the importance of being in charge of one’s self by being responsible and prepared for school daily.
- Encourage healthy habits such as exercise, nutritious eating, and a good night’s sleep.

Teachers and Principals agree to:

- Build positive relationships with all students.
- Encourage and promote good attendance in school.
- Provide high quality instruction through highly qualified teachers and paraprofessionals in a positive learning environment.
- Believe all children can learn and therefore communicate high expectations for all children.
- Regularly communicate with families about their child’s school experiences and learning.

The Student agrees to:

- Come to school regularly, rested, prepared, and ready to work hard for a successful day.
- Complete all work, at school or at home, to the best of my ability.
- Ask questions when I don’t understand.
- Respect and cooperate with others by following all school, bus, and home rules and expectations before, during, and after school.
- Take responsibility for my actions.
- Give my best effort in all that I do, every day and everywhere I go.
- Share with my family members what I am learning each day in school.
